Additional Components of the Virtual Leadership Institute: Personal leadership development activities, assessments, and discussions will be incorporated into each session. Leaders will consider their own leadership strengths and roles and how they can use what they are learning about best practices to lead more effectively, and towards change, in their organizations.

Other engagement and learning areas will include:

- Team Leadership Challenge Process: Planning for Change within Your Organization
- Group Exercises: Group exercises to further demonstrate concepts taught throughout the Institute
- Group Discussions: Discussions to dive into topics/concepts deeper and apply to individual situations
- Team Exercises and Discussions: Exercises and discussions with your organization team
